

No U.S. Activities Verification Statement

U.S. Activities include, but are not limited to, equipment or employees involved in creating, marketing, or supporting your affiliate activities which are located in the U.S.

I warrant and testify that my organization does not have "U.S. Activities" and does not have employees or equipment located in the United States that are involved in any way with the revenue that has been or will be earned by my organization in its activities as a Nanacast.com affiliate.
